

September, 2015

Dear Cherry Creek North Resident:

The Board of the Cherry Creek North Neighborhood Association (CCNNA) would like to invite you to become a member of our organization. Some of our benefits are:

1. Development, Zoning, and Construction Issues – Our Association closely reviews and monitors development plans and activities, zoning requests, and current construction work, supporting residents on important issues that will maintain and enhance the quality of life in our neighborhood.
2. Crime Prevention – Our Safety Committee works as a liaison with our District 3 Police Department relative to crime awareness notification and best crime prevention practices.
3. Communication – Five **General Resident Meetings** are held each year, featuring interesting speakers and discussing important topics. All Members have the option to participate in our **email system**, receiving emails of current interest and importance. All email addresses are kept strictly confidential and are not released to any other party. Our **newsletter** is distributed five times a year.
4. Social Activities – There are many resident events and common interest clubs designed to help neighbors meet each other and have fun. Examples include tapas parties, wine tastings, clubs for movies, books, golf, dance, yoga, hiking, meditation, camera, conversational Spanish and bridge, and our annual charity service project.
5. Spring Fling – As a Member, you are eligible for discounted tickets to our annual June Spring Fling party, a great opportunity to meet friends, enjoy food, wine, and music.

Membership does have its advantages! We encourage you to join. You can become or renew your membership online by clicking on the “Renew Membership” button on the Association’s web site (www.ccnneighbors.com). Using this method you can elect to become an “Evergreen Member”. This selection will set you up for automatic renewal of your membership each year. Or you can select to establish your membership by mail (CCNNA Membership, PO Box 6010, Denver, Colorado 80206). For your convenience, we have included a Membership form. Our annual fee is \$40 per household. For additional information on CCNNA, please go to our website (www.ccnneighbors.com).

CCNNA Board

Cherry Creek North Neighborhood Association Membership
