CHERRY CREEK NORTH NEIGHBORHOOD Newsletter

CHERRY CREEK NORTH NEIGHBORHOOD ASSOCIATION MISSION: To promote, protect, preserve and enhance the character of the CCN neighborhood, the quality of life of its residents, and the feeling of community; and to inform and represent its members.

NEXT NEIGHBORHOOD MEETING

Tuesday, November 27, 2018 at 7:00 pm • Daniels Fund Building

(Corner of 1st and Monroe – No Street Parking. Please Use Free Parking Lot on West Side of Building)

MEETING TOPICS AND SPEAKERS

DENVER POLICE DISTRICT 3, COMMANDER RICK KYLE – Commander Rick Kyle joined the Denver Police Department in 1996, and this year he succeeded Magen Dodge becoming the new Commander for District 3 which serves Cherry Creek North. During his 22-year career, Commander Kyle has served in numerous assignments, including: Commander of the Community Relations Division and the Training Division, Lieutenant in District Two and the Conduct Review Office, Sergeant in District Six, and Field Training Officer in District Four. A family man and a strong believer in community engagement, Commander Kyle is committed to meaningful partnerships between the police and the communities they serve. He will discuss current law enforcement issues and take questions.

GARFIELD PROPERTY DEVELOPER MICHAEL FANCHER – Cherry Creek North is thrilled that the former Newberry Nursery site (the large property on the northwest corner of Garfield and 2nd) will soon have high-end residential homes. Michael Fancher, President of Iconic Investments is the developer and will be on hand to describe his project and answer your questions. Michael received his Masters in Real Estate and Construction Management from DU. He is responsible for high-end student housing at CU Boulder and helped assemble the acreage being developed into Google's regional headquarters there. He partners in large projects along the Front Range.

THE TORCH IS PASSING. Our new President Lou Raders will be on hand. Come welcome her and hear the latest on a possible new meeting venue for our General Resident Meetings.

CITY SHUTTLE – Your “Chariot” is Here and Waiting

Cherry Creek has an exciting new end-to-end micro transportation service, **CITY SHUTTLE**. Think of it as a **FREE Uber/Lyft Van!** Much like the successful private bus at DU, City Shuttle is the first city-funded of its type in Colorado. Launched on October 26 for a six-month trial, it will enhance mobility options. It was achieved thanks to the support of Councilwoman Marybeth Susman, Councilman Wayne New, Transportation Solutions, and The Cherry Creek Business Alliance. This service began as a convenient, reliable transportation service for retail, hospitality and service workers employed by Cherry Creek businesses. Many workers live outside the Creek and drive in, contributing to congestion and parking challenges in CCN. Now, it will also be available for residents and visitors.

Initially, City Shuttle is providing three 14-passenger vans one of which is wheelchair accessible. There are 17 stops and the travel time from Cherry Creek through Capitol Hill to Civic Center Station is estimated at 20 minutes. The pilot service will run Fridays, Saturdays and Sundays from 7 am to 10 pm. It is anticipated that as ridership and demand increases,

more vans and days of service will be added. “City Shuttle” is part of Chariot, a division of Ford Mobility; passengers can access City Shuttle using a Chariot smartphone app that will allow them to reserve a seat, track the ETA of a vehicle and see the route. Vans are equipped with on-board power outlets, Wi-Fi, and bike racks. The link to their website with maps and all you need to know is: Chariot.com.

AND SCOOTERS TOO. This past summer, Denver Public Works authorized a one-year pilot program for dockless vehicles including electric scooters and bikes. They are in Cherry Creek now and *now is the time* to share your concerns or compliments by emailing DocklessMobility@denvergov.org. Please express your opinions pro or con. You can also learn more and learn how to report improperly docked or driven scooters.

CHANGING OF THE GUARD

We do wish to gratefully acknowledge the hard work of **Bob Vogel** who has been our fearless leader and President of the Cherry Creek North Neighborhood Association for the past five years. Bob will remain on the Board but he is passing the torch as President. Bob stepped up and accepted this position at a time of extreme change, growth and development in our neighborhood. He has fought for the quality of life in CCN, spending countless hours overseeing every aspect of what goes on in both the BID and our neighborhood during very challenging times.

He also started the Lecture Series and, wearing his cardiologist hat, gave the first lecture: "Food, Wine, Sex and Chocolate." Also, based on an idea from Kate Taucher, Bob Vogel and John Albers created and then coordinated the first **Dines Out** event which has grown into one of our most popular recurring events. Bob and his wife Sharyn will continue to be an active part of Social Activities and Special Events; we are fortunate that he will continue to serve as Board Member. **Thank you Bob for your leadership!** Thank you emails can be sent to: rvogelmd@comcast.net.

Our new officers are: President—Lou Raders; Vice President—Doug Haeussner; Secretary—Dale Rudolph; Treasurer—Annette Woodward. For a complete list of Board Members and Committees, please see the back of this newsletter.

CCNNA GENERAL RESIDENT MEETINGS – *New Location in the 'Hood*

Due to our need for expanded meeting space your CCNNA Board is exploring a possible change of venue to Bromwell Elementary School. Be assured that before any change takes place, adequate arrangements for parking and accessibility will be made. Come to the Meeting on the 27th and watch this newsletter and the website for more.

SIP & SAVOR – *A Success for A Good Cause*

On a lovely fall evening in September, CCN neighbors enthusiastically returned for a second year to the beautiful rooftop of **Room and Board** furniture store which provided the backdrop for CCNNA's Sip & Savor charity event. \$5,235 was raised, which is a 40% increase over 2017! Registrations were sold out (175 registrants) two weeks prior to the event. Money raised by the event has been donated equally to Urban Peak and to our own Ross Cherry Creek Library Branch. **Susan Thompson and Dale Rudolph** deserve our special thanks for planning all aspects of this highly successful event. All food and beverage for the event was donated and served by local Cherry Creek North businesses. We would like to thank the following sponsors who donated the spectacular Sips and Savories: **The Vineyard Wine Shop, Vinue Food and Wine, North Italia, The Grind, Milwaukee Street Tavern, Maggy and Molly's and The Thirsty Lion.** We encourage you to patronize them all year round and thank them too.

SAVE THE DATE – *Nov. 24 Small Business Saturday!*

14th ANNUAL SALVATION ARMY COMMUNITY SERVICE

Your Help is Needed on Dec. 15, 9:00 am to 12:00 pm

This year CCNNA again asks for your help and participation so that we can continue our tradition of giving back to the greater Denver Community. Annually, Cherry Creek neighbors have set aside a Saturday morning in December for the Salvation Army, coming together to sort food, toys and clothing for holiday baskets to be distributed to families and individuals in need throughout the Denver area. We will be sorting at the Aurora Warehouse, located at 11701 East 33rd Ave. Directions: Head east on I-70 to Peoria St. (exit 281). Turn right on East 33rd Ave. The warehouse is on the right (building with the red awning). Please sign up early at www.ccneighbors.com. The warehouse is cold, so wear warm clothing including gloves for sorting. This really is **fun** and a great rewarding opportunity to join with your neighbors in extending the holiday spirit.
